Miss Buck

It is now January 3 and I have not heard back from you in regards to providing the documentation requested in the first and second requests to produce dated April 3, 2011 and July 1, 2011 respectively. Your client has now had over 6 months to provide these documents. Please have them to me or a specific objection to comply no later than tomorrow, January 4, 2012.

Mr. McDonald,

I have been out of the office much of this week but am working to get you something on this by tomorrow. However, tomorrow is my last day in the office until January 3, 2012, so if I do not hear back from my client, the response will have to wait until after the first of the year.

Thanks,  
Heidi

Miss Buck

Now that we are back on track with the schedule for the case, I need to get an update from you on the outstanding discovery request items. Your clients have had over four months to prepare these so I expect that they are ready by now. Please update me as to their status.
